Today's tutorial is Star Block #1.  
(For the sampler, you'll need two of these...

Block measures 12" square finished

### **Cutting:**

#### ***From the cream wreath:***

Four 2-1/2" x 6-1/2" pieces

Four 2-1/2" x 4-1/2" pieces

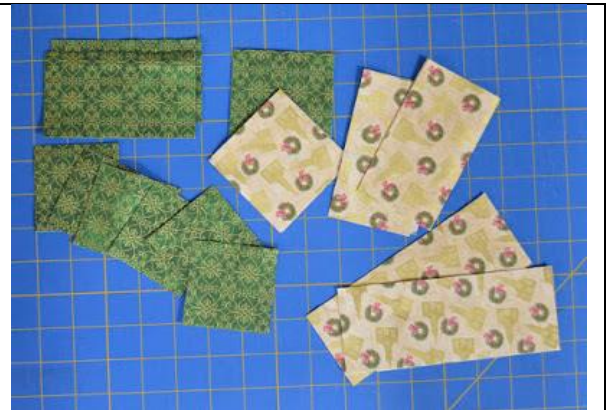

Two 3" squares

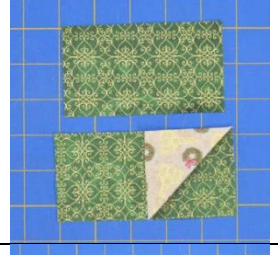

#### ***From the green print:***

Two 3" squares

Twelve 2-1/2" squares

Four 2-1/2" x 4-1/2" pieces

<p><b>Step 1:</b> Draw a diagonal line on the wrong side of eight 2-1/2" green squares. Noting the direction of the line, pair four squares on the 2-1/2" x 6-1/2" cream wreath pieces and four squares on the 2-1/2" x 4-1/2" cream wreath pieces.</p>	
<p><b>Step 2:</b> Stitch on the marked lines, trim seam allowance to 1/4" and press open. Make four long star points and four short star points.</p>	
<p><b>Step 3:</b> Draw a diagonal line on the wrong side of two 3" cream squares. Layer the marked squares wrong side together with 3" green and red squares.</p>	
<p><b>Step 4:</b> Sew 1/4" on each side of the marked lines. Cut on the line and press half-square triangles open. Trim HSTs to 2-1/2" square.</p>	
<p><b>Step 5:</b> Lay out one HST, one 2-1/2" green square and one 2-1/2" x 4-1/2" piece as shown. Sew the square and HST together and then sew the longer green piece to the top.</p>	
<p><b>Step 6:</b> Sew a short star point to the bottom. Sew a long star point to the right side.</p>	
<p><b>Step 7:</b> Make four quarter blocks. Sew the quarter blocks together into rows and join the rows.</p>
