

Silent Night Sampler: Day 1

<http://inspiredbyfabric.blogspot.com/2016/12/silent-night-block-sampler-day-1.html>

Here's a look at the fabrics we'll be using. So rich, and beautifully embellished with metallic gold.

Yardage to make the Silent Night Sampler (with medallion border)

To make the quilt as shown, you'll need the following:

1 yard cream 	1/3 yard bright red scroll 	1/3 yard green scroll 	1/4 yard red wreath 
3/4 yard green tree (includes inner border) 	1/4 yard dark red tree 	1/8 yard cream church 	1/8 yard light medallion 
1 yard dark medallion (includes outer border) 	1/3 yard dark red vine 	1/8 yard cream nativity 	1/4 yard green nativity 
1/4 yard multicolor print 	1/8 yard black/gold print 		

Today's tutorial is the Wreath Block:

Block measures 12" square finished

Cutting:

From the cream:

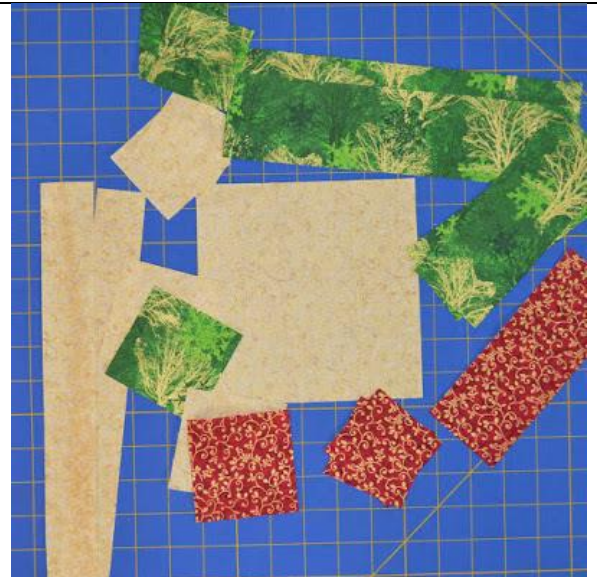

- One 6-1/2" square
- Two 3" squares
- Four 2-1/2" squares
- Two 1-1/2" x 12-1/2" pieces

From the green:

- One 2-1/2" x 10-1/2" piece
- Two 2-1/2" x 6-1/2" pieces
- One 3" square
- Two 2-1/2" squares

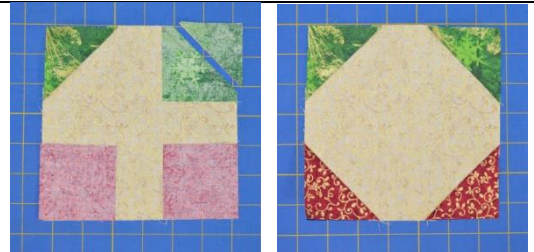

From the red:

- One 2-1/2" x 6-1/2" piece
- One 3" square
- Three 2-1/2" squares

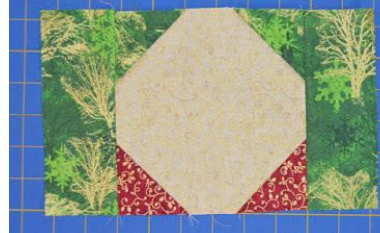

Step 1: Draw a diagonal line on the wrong side of two 2-1/2" green and two 2-1/2" red squares. Lay out the squares on the corners of the 6-1/2" cream square as shown. Sew on each marked line, trim 1/4" past the line, and press open.

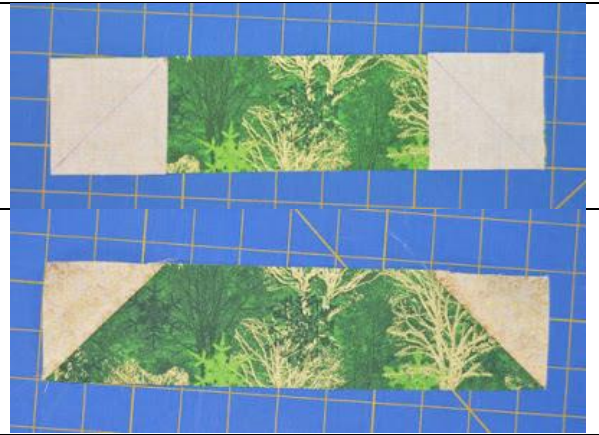

Your center square should look like this:

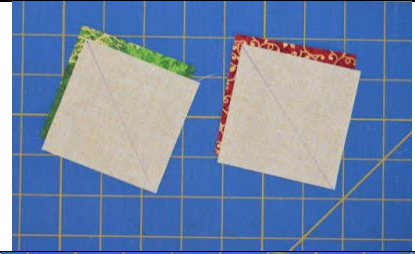

Step 2: Sew 2-1/2" x 6-1/2" green pieces to the left and right sides.

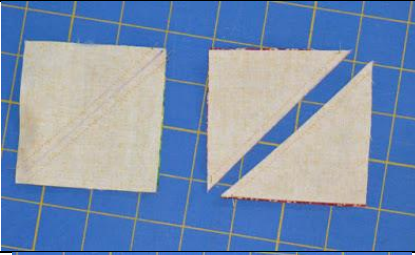

Step 3: Draw a line on the wrong side of two 2-1/2" cream squares. Lay the square on both ends of the 2-1/2" x 10-1/2" green piece. Sew on the drawn lines, trim seam allowance to 1/4", and press open.

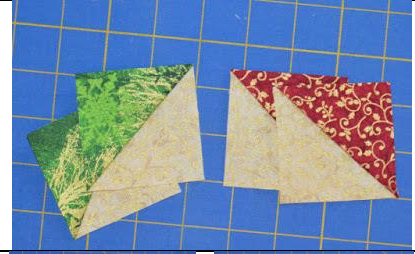

Step 4: Draw a diagonal line on the wrong side of two 3" cream squares. Layer the marked squares wrong side together with 3" green and red squares.

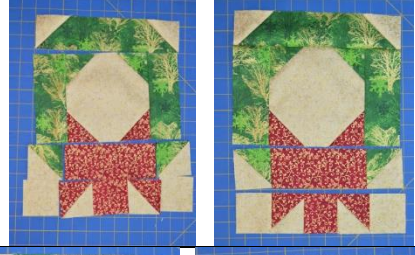

Step 5: Sew 1/4" on each side of the marked lines. Cut on the line and press half-square triangles open.

Step 6: Trim HSTs to measure 2-1/2" square.

Step 7: Lay out the units from Steps 2 and 3, the HSTs, two 2-1/2" cream squares, one 2-1/2" red square, and one 2-1/2" x 6-1/2" red piece as shown.

Step 8: Sew the pieces in the bottom two rows together to create rows.

Step 9: Join the rows.

Step 10: Sew the 1-1/2" x 12-1/2" cream pieces to the left and right sides to complete the block.
