

DONATIONS NEEDED FOR DAYS FOR GIRLS KITS

A sample Days for Girls kit is available to view in the SCS Quilt Room (it is hanging on the wall)

We are accepting donations of PRE-WASHED 100% cotton fabric and 100% cotton flannel for the kits. The fabrics should have appealing colors and busy patterns to hide stains, such as botanicals, geometrics and batiks. For cultural reasons the fabrics may NOT have prints with faces, eyes, animals, insects, snakes, camouflage, guns, knives, hunting, words, cartoons, pop culture, national flags or girly-glam themes (butterflies and ladybugs without eyes are appropriate).

Drawstring Bags – 100% cotton 30”x 12” (1 yd will make 4 bags).

Shields – 100% cotton. 2 pieces 11”x 9 ½”. Of course it is always more efficient to have large pieces to cut multiple shields on the AccuQuilt Go Cutter.

Shield Pockets - 1 piece 5”x 5” or 5” strips x Width of Fabric. Flannel Liners – 100% cotton flannel. 9”x 9” squares and 6”x9” pieces. For greater efficiency, larger pieces should be cut into 9” and 6” strips x Width of Fabric.

Misc. Supplies – Hotel size bar soap (no liquids), colorful washcloths (not white, may be gently used).

Cash Donations to purchase kit supplies wholesale – underpants, gros grain ribbon (for drawstring bags), PUL waterproof liner fabric for shields, Ziploc bags. Please give cash donations directly to Sue Zager or Kathy Panfili.

PLEASE DROP OFF YOUR DONATIONS IN THE DONATION CUPBOARD IN THE QUILT ROOM. Please PRE-WASH all fabrics.

If you are interested in sewing kits please contact:
